

Cowboy position

FRAN Drescher didn't let a dread disease ruin her sense of humor. At a lunch benefit for her charity Cancer Schmancer at East Side Social Club, the former star of "The Nanny," who has a clean bill of health after being diagnosed with uterine cancer in 2000, told guests of her countless visits to the gynecologist, "I've had my feet in more stirrups than Roy Rogers!" Joining Drescher were **Tory Burch, Cristina Greeven Cuomo, Ann Dexter-Jones, Gigi Mortimer, Muffy Potter Aston** and host **Lori Levine**.
